Agentic ai

Web Application Development

## Certifications

Java Development

# Ayushi .

MCA Student at VIT Vellore | Java | Frontend Development  
Tamil Nadu, India

## Summary

Strong foundation in Java programming and a keen interest in frontend development and basic UI/UX design. I enjoy bridging the gap between design and functionality—creating applications that are not only efficient but also user-friendly. Currently building my skills through academic projects and personal learning, while seeking opportunities to contribute as an intern or software developer.
